Why does Medewerker cost money?

Arian (Nr1Creeper) - 2019-07-28 - in Webwinkel

We often get asked why Medewerker costs money in SprookjesCraft. With the revenue we are able to continue to develop and maintain our servers, like the Minecraft servers and our websites. These costs are too high to pay ourselves. Without our revenue streams, SprookjesCraft simply wouldn't be possible. For this reason, we're unable to give away free Medewerker or a trial for Medewerker.
